Membership in Primary Dental Care

Thursday 3rd July 2014 at 1800hrs in the Birmingham Regional Centre, The Royal College of Surgeons, 85 – 89 Colmore Row Birmingham B3 2BB

Dear Colleague,

You are cordially invited to attend the launch of a new qualification in Primary Care; during the afternoon presentation, Dr Clive Gibson a senior College examiner will give an overview of this exciting new qualification and describe setting up local study groups to help prospective candidates work towards the diploma. Candidates who pass the examination will be entitled to use the designation of ‘Member in Primary Dental Care of the Royal College of Surgeons of Edinburgh (MPDC RCSEd)’.

The Diploma of Membership in Primary Dental Care of the Royal College of Surgeons of Edinburgh is designed to assess the range of knowledge and understanding that underpins clinical patient management within the primary care setting. The examination is designed to test all aspects of the clinical practice of primary dental care and is in three parts, a written paper, case presentations and a simulated clinical case. This will be discussed in detail during the evening and examples of cases shown.

If you wish to attend this event which is approved for 2.5 hours verifiable CPD, please reply to: c.gibson@rcsed.ac.uk

If you are unable to attend but would like to find out more about this new qualification and how to contact local study groups please email Dr Clive Gibson c.gibson@rcsed.ac.uk or visit the College website.

I very much look forward to welcoming new members to the Faculty of Dental Surgery and please do not hesitate in contacting me if I can be of further assistance.

Clive Gibson BDS MFGDP MGDS MMedEd FDS RCS(Ed)
Chairman, Primary Dental Care Advisory Board
