Sutton Park Dental Centre is a modern, contemporary practice located in a residential area of Kidderminster - with easy access to Birmingham (A456) and the M5. The practice provides all aspects of general dentistry and has a good reputation as a ‘Patient Centred welcoming environment’. The FD surgery is newly equipped and includes fibre optic handpieces, scales, it is fully computerised and air conditioned.

Please telephone to arrange a visit on 01562 744840/638015.

Directions to practice

Come off at Junction 9 of the M6 and follow the signposts for Wednesbury Town Centre (A461), Wood Green Lane then becomes Walsall Street. Turn left at Walsall Street before the dual carriageway, there is a Lloyds TSB bank on your left. The surgery is on the left hand side of the road opposite a Wetherspoons pub. The Surgery is currently situated on the first floor till September 2010 and thereafter on the ground floor.

From Wolverhampton and Hill Top West Bromwich or Darlaston follow signs for A461 and Wednesbury Town Centre as above.

Practice Description.

We are a family oriented practice in the centre of a busy market town caring for a large number of highly motivated patients. The premises consist of a floor surgery (due for completion in September 2010) and two first floor surgeries with the second floor housing more room for staff. We provide a wide variety of dental treatments mostly under NHS and ‘Advanced Cosmetics’ options under private arrangement. We have a highly motivated and trained staff and management team which allows for the smooth running of the practice and integration of new recruits into the practice.

We are a fully computerised surgery operating the ‘Software of Excellence System. The surgery has held the BDA Good Practice Award for three years, with the manager being one of the BDAs Good Practice Regional Consultants.

Warwick
Warwickshire
CV344 6AB
01926 494974

Directions to practice

The Westgate Dental Practice is located in the centre of Warwick, on the main route to Junction 15 of the M40. The practice is situated adjacent to the old Westgate of the city and the historic Lord Leycester Hospital. Car parking is available on West Street or there are two ‘Pay and Display’ car parks within a few hundred yards of the practice.

Practice Description

The practice is a mixed dental practice catering for the needs of the local community. The practice is currently being refurbished and extended at this point in time. At present there are 2 associate dentists who work at the practice, one who has applied for a place on the Eastman restorative course, while the other is working hard to finish her cases for the same course. Postgraduate Education is actively encouraged at this practice.

The surgery is modern with fibre optics and digital radiography used in each surgery. The practice has been computerised since 1992 and is using the R4 system at present.

The practice has been home to seven previous Foundation Dentists over the years, four of which stayed on as associates.

Dr N Gibb  
28-30 Hamilton Terrace  
Leamington Spa  
Warwickshire  
CV32 4LY  
01926 311698

Directions to practice

From outside Leamington Spa Police Station (opposite the Town Hall in the centre of Leamington), walk away from the Parade (Main Shopping Area), keeping on the same side of the Road as the Police Station. About 20 metres along the road there is a terrace of white Regency Town Houses, these are set back from the road with car parking bays outside. The practice is located in the second from end house in this terrace.

Practice description

Situated in South Warwickshire, Leamington Spa is a busy vibrant town, renowned for its range of shops, restaurants and nightlife. Today, much of Leamington retains its 18th Century character. Since the construction of the M40 in the late 1980’s, it has enjoyed significant growth and prosperity and has become a desirable area in which to live. Our practice is located in a Georgian Terrace situated in the town centre, 50 metres from the Town Hall. We have nine surgeries, three located in the basement, three on the ground floor, two on the first floor and one on the second floor. All the surgeries are modern, fully computerised and have digital radiography. All of the practice teams are supportive of each other, with emphasis being placed on teamwork, Continuing Professional Development, Open Communication and Social Events.

Our opening hours are from 8am - 6pm, Monday – Friday. Nick Gibb is the practice principle and owner and there are five full time associate dentists and three part time hygienists.

We have NHS, Private and Denplan patients spread across the full spectrum of age groups. We offer a comprehensive range of treatments for our patients but tend to refer orthodontics to a specialist practitioner. As well as treating out own patients, we accept referrals from other dentists to treat their patients using sedation. Please contact our receptionists on 01926 311698 or email jo@dentalspasolutions.co.uk

Website www.dentalspasolutions.co.uk
Directions to practice

From Junction 1 of the M5 follow the signs for Birmingham A41
Continue past the West Bromwich Football Ground
Stay on the A41 until you reach the Soho Road, Stay on the Soho Road for approximately ¼ of a mile. At the junction with Lloyds TSB Bank turn left into Grove Road.

Practice description

Grove Lane Dental Practice is a modern NHS practice which currently has the Practice Principle and two Part Time Performers. We have recently undergone a major refurbishment to the practice resulting in it being a more pleasant environment to work in.

The FD Surgery is large and suitable for a ‘Right Handed’ operator. It has an A Dec chair with modern equipment, this was fitted in September 2009.

I have an excellent, highly motivated, reliable and friendly dental team. We have a BDA Good Practice Award.

We are looking for a FD who is enthusiastic about their profession, motivated and a team player. They should have high ethical standards and be able to communicate with the team members and patients.

The potential FD will have the full support from the dental team as we have an ‘Open Door Policy’ for all members of the team and they will be given full clinical freedom, with support from the team.
