Careers/ Opportunities

Royal College of Paediatrics and Child Health - Foundation Doctor Prize 2023

Please see attached nomination form and flyer

Each year we give foundation doctors (FY1 and FY2) a chance to win one-day free access to RCPCH Conference which will be in Glasgow, 22 – 25 May 2023 - a fantastic opportunity to gain more knowledge about paediatrics and network with professionals from across the UK. You can apply via your foundation school or LETB/deanery, and the deadline for nominations is Monday 30th January 2023.

For more information, please see link <https://www.rcpch.ac.uk/education-careers/fellowships-and-prizes/foundation-doctor-annual-prizes>

If anyone is interested, please can you submit a 200-word statement on why you should be chosen to Faculty (facultysupportteam@hee.nhs.uk) by **Sunday 1st January 2023**.

National Foundation Doctors Presentation Day

Please see attached documents

The National Foundation Doctors Presentation Day will be taking place on Friday 20 January 2023.

You are invited to submit abstracts relating to Sustainability, Clinical Case Reports, Education, Ethics, Quality Improvement or Research/Original Work undertaken during your Foundation Programme training.

[Click here](#) to open the abstract submission form.

Guidelines

The abstract should not exceed **200 words in total** (excluding title, authors, and references). Abstracts should include background (context setting), methods, results, and key messages.

Any references quoted in the abstract should be listed at the end, using the Vancouver reference style.

Abstract submissions will be presented as 10-minute oral or 3-minute poster (mini-oral) presentations. Applications describing work in progress are eligible, but abstracts

should not relate to work during medical school (including during intercalated degree or elective projects).

Deadline for abstracts is 11:45pm GMT on Sunday 13 November 2022. Late submissions will not be accepted.

Up to two applications may be submitted per Presenting Author. However, as space at this event is limited, an individual will only be allowed to deliver one presentation should their abstract be successful.

Presentation Type

Oral Presentations (10 minutes)

Oral presentations will be 10 minutes exactly, 8 minutes to present and 2 minutes for questions. Please note that approximately 20 abstracts will be accepted for oral presentations, but all submissions will be considered for posters.

Poster Presentations (3 minutes)

You will be given 2 minutes to talk through your poster to the judges, with 1 minute for questions. Timeline and specifications for posters (format, resolution etc.) will be confirmed to successful applicants after shortlisting has concluded. All abstracts submitted will be considered for poster presentations. You will be asked if you wish your abstract to be considered for an oral presentation as well.

Successful applicants will be invited to register from 2 December 2022.

Good luck!

18 October – 13 November 2022	Abstract submission window
2 December 2022 – 4 January 2023	Successful applicants invited to register for event
Friday 20 January 2023	NFDPD!

National Poster Competition 2023 – Now Open for Entries

Present at our 10th anniversary conference!

Deadline 3rd March 2023 - see competition details and online entry form here:
<http://www.bristolpatientsafety.com/poster-competition.html>

Introduction to Anaesthesia Course – 3rd December 2022

Please see attached flyer

This is a free one-day course being held in Morriston Hospital Swansea on 3rd December 2022. Please see the attached flyer for more information.

Intensive FRCS (Trauma & Orthopaedics) Mock Viva & Clinical Exam Course – Online – Saturday 3rd December

Saturday 3 December 2022, 08:55 - 15:45 GMT

Location: Virtual

CPD: 5 credits (awarded by the RCSEd)

This course is delivered in partnership between Orthopaedic Research UK and Orthopaedic Academy and is designed for candidates taking the part 2 FRCS (Tr & Orth) examinations or equivalent. It consists entirely of mock viva and clinical stations. It will provide you with the opportunity to refine and test your knowledge, practice your exam technique, and clarify any issues with an experienced UK based faculty.

To ensure the very best experience, candidates will be split into small groups of only two participants and rotate through workstations. Each workstation will have at least 2 faculty providing 1:1 teaching ratio.

Delegates will rotate through the following stations; Basic sciences, Paediatrics and Hands, Adult pathology, Trauma, Intermediate case – upper limb, Intermediate case – lower limb, Short cases – upper limb, Short cases – lower limb.

Introduction to Anaesthesia Course – 3rd December 2022 FAO Foundation Programmes Co-Ordinator (RCoA/ACCS Anaesthetic Training Interview Course)

Applying for Core/ACCS Anaesthetics Training? Feel like you need more preparation for the interview and want to know how to boost your application, even if you think it's too late?

We would like to invite you to the 'Core/ACCS Anaesthetics Training Interview Course', endorsed by the RCoA. This popular evening course is run by top-ranked trainees and is just the preparation and immediate feedback that you need, but in a low-pressure environment. It includes a real-time mock-interview cycle, specific do's and don'ts for the recruitment process and how to gain last-minute points, MSRA teaching plus an invaluable talk from consultant anaesthetists experienced at interviewing on the panel.

The course fee is £80 (£100 after 10th December 2022) and will be held on the evening (6pm start) of Tuesday 10th January 2023 via virtual format.

To book or for more information, please view the course website (www.coreanaestheticsinterviews.com), or email amour.patel@doctors.org.uk

Trainee Opportunity: New Surgical On-Call Teaching Series

Please see attached flyer

ACE Medicine and Surgery are excited to be launching a new monthly surgical on call teaching series guiding you through the most common referrals faced as the on call SHO in various surgical specialties. For the first session, Dr Katherine Wise will be covering the first of two sessions on General Surgery referrals.

Monday 5th December 2022

6:30-7:30pm

Certificates of attendance will be provided.

Please register in advance to join us online.
