Message from Head of School

Welcome to the September newsletter. After my round of 'goodbyes' last month, I now look forwards to welcoming all of our new doctors in training who are joining us. I look forwards to meeting many of you on 6th September on our 'Welcome to Paediatrics' day. Many thanks to the Trainees Committee who are instrumental in running this day.

I'm also excited to report that the School is growing, with an expansion in Paediatric TPDs. We are currently recruiting for:

- TPD for GRID/SPIN/OOP & career progression
- TPD for IMG & Differential attainment
- TPD for LTFT
- TPD for Progress – curriculum & post development
- TPD for wellbeing
- Deputy Head of School

So, if you have excellent ideas and are keen to shape how we support doctors in training in the West Midlands, please have a look at the job adverts and drop me an email if you would like to talk further.

And finally, a last call for nomination for the PAFTAs. I am looking forward to hearing about even more excellent practice that is ongoing in our units.

West Midlands School of Paediatrics Newsletter

See you in October.

Facebook page: Paediatric postgraduate doctors in the West Midlands

NB: Please apply directly to join the Facebook Group and answer the security questions.

Inviting others to join prevents people from joining, as they do not have access to the security questions.

Request for shortlisters Paediatric National Recruitment 2023

We require **Paediatric Consultants** to help with the shortlisting process of these recruitment rounds. As a shortlisters you will be required to review applications and score using a scoring matrix (full guidance will be provided)

Shortlisting will take place during the following timeframes:

ST1 National Paediatric Training - Tuesday 20th December 2022 - Friday 13th January 2023

ST3 & ST4 National Paediatric Training - Tuesday 17th January 2023 - Wednesday 15th February 2023

During the shortlisting window you will be allocated a set number of applications to shortlist. You do not need to be available for the whole shortlisting window but you will need to ensure all applications allocated to you have been shortlisted by the window close date. This is important to ensure we can keep to the Recruitment timeline.

If you are a Paediatric Consultant and willing to assist in this please use the links below to sign up:

ST1 National Paediatric Training - <https://forms.office.com/r/aQpfdTFyPK>

West Midlands School of Paediatrics Newsletter

ST3 & ST4 National Paediatric - <https://forms.office.com/r/9RShR0wd1Q>

Please feel free to forward this email to any Paediatric Consultants you may think would be interested in helping.

Thank you all for your support in making Paediatric National Recruitment a success.

Any queries please do not hesitate to get in touch

PaedsNRO@hee.nhs.uk

Trainee Clinics

Trainee Clinics are continuing within the School of Paediatrics giving all postgraduate doctors the opportunity to request a 20-minute virtual meeting with a Training Programme Director or Head of School. This is a forum intended for discussing careers (e.g. GRID/SPIN), exams, discussion about OOPs or LTFT and other situations. In previous years we have highlighted these clinics as useful for ST2 trainees who wish to discuss careers and would be keen to do this again.

In addition, we would like to meet with everyone who is going to be completing ST4 in summer 2023 to discuss where you move next – core or subspeciality training.

These appointments are not an opportunity for detailed E-portfolio review as this should remain something that is undertaken with your educational or clinical supervisor.

If you would like to request an appointment, please complete this form
<https://forms.office.com/r/QvFKep5fAW>

The Faculty Support Team will then be in touch to book you an appointment should that be appropriate from the information you provide.

The next clinic is scheduled for 29th September

West Midlands Paediatric Trainee Committee Update:

Trainee Committee Representative positions available from September 2022:

After two years of representing West Midlands paediatric postgraduate doctors in training some of our trainee committee are stepping down. Come and join our enthusiastic team and represent your cohort! Posts typically last 2 years.

The following positions will be available from September 2022:

ST4-8 Rep - 2 posts available

LTFT Rep - 3 posts available

West Midlands School of Paediatrics Newsletter

Academic Rep - 1 post available

Teaching Rep - 1 post available

Current committee members are happy to answer questions or queries if you're interested. Further information included in the attached flyer and via the Trainee Website. Applications via this link: <https://forms.gle/1Hkw1ao42zYa8fje7>

Deadline for applications: 16th September 2022

<https://docs.google.com/document/d/15cflaeCmILQ3GXDedAQCOD2W5Gv-UbOf32cvAwR0EA4/edit>

PAFTAs 2022

It's that time of year again when we can show our appreciation and gratitude for hard work and excellence throughout WM Paediatrics. Nominations are welcome in the categories below. There is no limit to the number of nominations you can submit so getting spreading the love! More information on the Trainee Website.

Link: <https://forms.gle/3kA6cE4EqGN4ZYss8>

Deadline for nominations: 5pm on Friday 9th September 2022

The PAFTA award ceremony venue and date is currently TBC - watch this space!

Getting in touch:

Just a reminder that you can contact us via the 'contact us' function on the website at www.westmidlandspaediatrics.com or via email to: westmidlandspaediatrics@gmail.com The trainee representatives maintain a committee on-call rota so please be assured we will act on emails and communications promptly.

IMG Support Network (IMGSN) Update:

IMG trainees

Our IMG representative, Anu, will be organising a virtual session on using Kaizen. This is particularly helpful to understand how to make the most of the portfolio system and how it can be used to prepare for appraisals or applications. If you are interested in attending this session, please email wmimgpaediatrics@gmail.com

Paediatric IMG Group

To all IMG trainees, we are looking for a few IMG trainees to join Anu (the IMG representative) and make plans for future projects. This is a good opportunity to develop organisational, leadership and communication skills.

If interested, please contact on wmimgpaediatrics@gmail.com

West Midlands Adolescent Health Network

Are you interested in improving your skills when managing young people? Have you been told to improve your local transition pathways and don't know where to start? Does trying to remember what all the S's in a HEEADSSSS assessment stand for leave you feeling flustered?

We are a group of paediatric postgraduate doctors who are looking to increase the links between the health professionals in the region with an interest in adolescent health. We are initially looking for interest within paediatrics but over the next few months hope to grow the network to include other specialties and allied professions and aim to host monthly educational/networking events, via Zoom initially but hopefully graduating to regular face-to-face events.

If you're interested in taking part, whether your grade is ST1 or professor, please get in touch via wmadolescent@gmail.com.

We look forward to hearing from you!

Upcoming Meetings and Courses

Starting AUTUMN 2022! - NEW Clinical Leadership and Management Programme featuring Quality Improvement from the Quality Improvement Clinic.

This is an innovative programme designed for ST5-ST8 paediatric trainees working in the West Midlands, starting 19 September 22.

Please see flyer attached

Recruitment is now open for the 4th cohort on our trailblazing Leadership and Management with Quality Improvement Programme. With over 70 participants to date, the Autumn 2022 programme is the last in the current series. If you are looking to secure these competencies before September 2023, now is the time to join in. The 18 week programme combines interactive on-line learning with Leadership and QI practice in the workplace as well as two full day workshops and a celebration event. It fulfils a host of level 2 competencies and provides you with great examples to share as you progress your careers.

The booking code you will need to use is **WMQIP_A22**

Birmingham Liver Study

22nd September 22- Paediatric Liver Case based study day

West Midlands School of Paediatrics Newsletter

The study day will highlight case-based discussions on common paediatric hepatology problems in a day-to-day practice. There will be more focus on interaction with the audience with group sessions and problem-solving approaches. This study day will help to highlight the importance of multidisciplinary teams in managing complex patients and the importance of shared care with local teams to deliver 'Child and family centred care'.

23rd September – Paediatric Metabolic Liver Study Day

This study day will highlight key topics in paediatric metabolic liver topics with key speakers from all over the UK. This is aimed at practising paediatric gastroenterologist, adult gastroenterology colleagues who want to know more about paediatric metabolic liver disease. This will provide state of the art lectures on newer therapies and advances in metabolic liver diseases

We look forward to your participation and extend a warm welcome on behalf of the Birmingham liver Unit Multidisciplinary team and Inherited Metabolic Liver Disease team, Birmingham Womens and Children's Hospital

<https://birminghampaedliver.org>

Simulation

Regional Paediatric Simulation Courses

For anyone interested in our simulation courses, we still have some spaces left on our courses which cover a variety of topics. Courses with spaces available are highlighted in bold but waiting lists are available in case of last-minute cancellation spots. Dates for 2022 will be confirmed in the next few months.

All the courses and registers can be found on the Eventbrite website: <https://rwtpaedsimed.eventbrite.co.uk>. Please remember that if you have registered your interest, this does not mean that your space has been confirmed on the course.

If you have any queries about our courses, please contact us:

Email: rwh-tr.paedsimed@nhs.net

Twitter: @RWT_paedsimed

ST1 Skills and Drills Day

This course is for trainees who are starting their paediatric rotation in March 2021. This study day will equip you with an introduction to the clinical skills required for day to day practice in paediatrics.

Dates available

Sept 2022 –Date TBC

Neonatal Simulation

The neonatal simulation team is delighted to welcome Hannah Coakley to the role of simulation fellow from 7/9/22.

To register your interest for any of the below courses contact Hannah (hannah.coakley@nhs.net) with your full name, grade, current placement and why this course will be of value to you. If you have already registered your interest with Jess Groucutt then this information has all been handed over and we will contact you directly once course dates are confirmed.

Course dates will also be updated on: <https://www.westmidlandspaediatrics.com/simulation>

Neonatal Skills day

The course is designed to offer trainees practical training on common neonatal procedures including intubation, vascular access and chest drain insertion. It is included in the ST1 training programme however if you previously missed a course or would like more teaching on neonatal procedures, you may be able to join the next face-to-face course.

Next date: 14th September 2022

West Midlands School of Paediatrics Newsletter

SHINE (Simulation to Help in Neonatal Emergencies)

Are you just about to rotate on to your first registrar post in neonates? Does it feel like you have not done neonates for ages and need a refresher? Are you close to CCT and might be working as a consultant in a hospital with a neonatal unit? Do you feel like you just need more neonatal experience? If yes, this is the course for you! This course is very popular and receives consistent excellent feedback.

Neo-Com-S (Neonatal Communication training through Simulation)

Do you want to improve your communication skills around difficult conversations such as breaking bad news, discussing medical errors, dealing with conflict and discussing end of life care? Do you want to explore parents' perspective and learn more about trauma informed communication? If yes, this is your opportunity to develop these transferable skills in a safe, supportive and confidential environment.

Advanced SHINE

Are you a neonatal registrar looking to improve your management of neonatal emergencies? Want to build on your clinical knowledge but also leadership, situation awareness, decision making and communication skills? If the answer is yes then come and join us for the first Advanced SHINE course.

Neonatal Palliative Care Course

Difficult conversations and circumstances are regularly encountered in neonatal medicine; and we must be able to give honest information sensitively; listen with care and respect in order to take the next steps forward as partners in care. If you are looking to improve your communication in scenarios such as consenting for post mortem, ceiling of care conversations and bereavement follow up; or learn about symptom control, practicalities of death, memory making and debrief then this course is for you.

PRAM Update by Rashmi Mehta

PRAM (Paediatric Research Across Midlands) is a paediatric trainee-led audit and research collaborative based in the West Midlands. We have a wide range of ongoing projects, including work with other paediatric networks. We have multiple successful publications and presentations from previous projects.

For earliest access to opportunities and news, join our mailing list by emailing pramnetwork1@gmail.com. You can also visit our website at <http://www.pramnetwork.com> or follow us on Twitter @PramNetwork.

PASS (Paediatric Sub-speciality Training) Survey:

We are conducting a survey to evaluate perceived barriers to sub-speciality training for paediatric doctors in West Midlands. Through the survey we aim to assess if the barriers to sub-speciality training adversely impact any specific population group disproportionately. We will use this data to support minimising inequalities in sub-speciality application and attainment. Please use following link to fill in a short survey. Thank you for your time.

West Midlands School of Paediatrics Newsletter

Research opportunities and available funding for studies:

Paediatric Emergency Research in the United Kingdom & Ireland (PERUKI) are supporting a number of studies each year with funding. For details and application process please click [here](#).

Dates for your diary: Upcoming Conferences and Events in 2022-2023

1. BAPM (British Association of Perinatal Medicine) Annual Conference: Manchester 15th-16th Sept 2022 [registration link](#)
2. EAPS (European Academy of Paediatric Societies) Barcelona 7th-11th October 2022 [registration link](#)
3. Adolescent Conference Birmingham 9th-10th November 2022 [registration link](#)
4. BPNA (British Paediatric Neurology Association) Annual Conference: Edinburgh 25th - 27th Jan 2023 [web link](#)

Promoting Paediatrics

Do you feel passionate about Paediatrics as a career? Do you want to help recruit people into your chosen career?

Promoting Paediatrics is a team of keen individuals who are currently doing great work in the region to widen interest in the career of Paediatrics to both school and medical students. We are looking for more enthusiastic Paediatrician to help us to continue this work! We run many different types of events including going to careers fairs at schools along with a very successful recent event for school students at BCH which looked at medicine as a career ,how to get into medical school and the life of Junior Doctor.

If you are interested in joining the group, please contact:

promotingmedicine@gmail.com

Follow us on Instagram: [promotingpaediatrics](#)
