Typical working pattern in this placement	<ul style="list-style-type: none"> • Each week there will be a different rota • The day is usually split into two halves, so for example in the morning you may be doing M1/M2/ANC and in the afternoon labour ward. The handover usually occurs at 8.30am, 12.30pm and 4.30pm in the doctors office on Labour Ward. • There is a twilight shift from 1630-2030, and a night shift from 2030 – 0830. • You will be based across site, working at either City or Sandwell (no unsupervised shifts at Sandwell)during both the normal working week and on call. • There is a daily CTG meeting in the doctors office on Labour Ward: you are expected to attend this as often as possible.Also daily Emergency Gynae meetimngs on EGAU - attend when rostered for Emergency Gynaecology.
Employer information	The Trust is one of the largest teaching Trusts in the United Kingdom with a reputation for excellent, friendly staff who provide high quality care from City Hospital in Birmingham and Sandwell General in West Bromwich. Both are busy acute hospitals providing many specialist services and a broad range of emergency services, including Accident & Emergency at both sites. In addition, the Trust provides comprehensive community services to the Sandwell area, including from Rowley Regis Community Hospital, Leasowes Intermediate Care Centre and the Lyng Centre for Health and Social Care.

It is important to note that this description is a typical example of your placement and may be subject to change.
