

West Midlands North Foundation School

Individual Placement Description – Shrewsbury and Telford Hospital NHS Trust

Placement	FY2 Neonatal Medicine
The department	Neonatal Medicine
The type of work to expect and learning opportunities	<p>The trainee will gain broad exposure to a variety of problems in Neonatal Medicine ranging from well term neonates to extremely preterm infants.</p> <p>Foundation training takes place weekly from 2.30pm - 5.00pm and Foundation Year 2 trainees are encouraged to attend a Simulation Training slot throughout the year.</p>
Where the placement is based	Princess Royal Hospital
Supervisor(s) for the placement	Dr Tyler
Main duties of the placement	<p>The trainee will be an integral part of a Multidisciplinary Team consisting of Paediatric ST1 to 3 trainees and Advanced Neonatal Nurse Practitioners.</p> <p>The trainee will be fully supervised by Neonatal Specialty Registrars and Neonatal Consultants. The trainee will work in a variety of settings including Neonatal Intensive Care Unit, Postnatal wards and Outpatient clinics.</p>
Typical working pattern in this placement	<p>The trainee will initially spend time on the Neonatal Unit (sick babies) and Postnatal wards (well babies) during the daytime.</p> <p>Out-of-hours work will be introduced in a graded fashion after gaining sufficient daytime experience during the first 6 - 8 weeks into the post, and will be supervised at all times.</p> <p>Out of hours rota is shared between 4 doctors and Nurse Practitioners.</p>
Employer information	<p>For more information about living and working in Shropshire please also visit our Microsite www.pgmeshrop.co.uk (which will be live from 2nd October 2017)</p> <p>Please note that due to Trust reconfiguration our posts may change hospital site/specialty/on-call frequency during 2018/2019. Shrewsbury and Telford Hospital NHS Trust was formed in 2003 and is the main provider of acute medical care for half a million people in Shropshire, Telford & Wrekin and Mid Wales. Most services are provided at the Princess Royal Hospital in Telford and the Royal Shrewsbury Hospital in Shrewsbury.</p>

It is important to note that this description is a typical example of your placement and may be subject to change
