| Employer information | Walsall Healthcare NHS Trust is a busy acute hospital providing the full range of services normally expected in a District General Hospital. We are an integrated organisation providing community and hospital services within the local health economy with a total income of just over £220 Million. The Trust directly employs over 3500 staff making us one of the largest employers in Walsall. The Manor Hospital is a spectacular light, airy, high-tech and ecologically-friendly building. The landmark development in Pleck Road heralds a new dawn for healthcare in the town and brings all the hospitals services under one roof. It has a state of the art multi-professional Manor Learning & Conference Centre with excellent library facilities and skills lab for simulation training. |

It is important to note that this description is a typical example of your placement and may be subject to change.
