

West Midlands North Foundation School

Individual Placement Description – The Royal Wolverhampton NHS Trust

Placement	FY2 Rehabilitation Medicine
The department	RWT
The type of work to expect and learning opportunities	All Foundation trainees have dedicated simulation sessions. All episodes are consultant-led and as of April 2012 will take place in the newly built Wolverhampton Sim Ward. This new development allows learning to take place in a truly immersive environment.
Where the placement is based	Royal Wolverhampton
Supervisor(s) for the placement	Dr Friday
Main duties of the placement	
Typical working pattern in this placement	The working pattern will depend on the rota commitment. This may include out of hours. Clarification of this can be sought directly from the Trust.
Employer information	The Royal Wolverhampton NHS Trust is one of the leading acute and community trusts in the region. Employing more than 6,700 staff we provide a comprehensive range of community, acute and specialist services for the people of Wolverhampton, the wider Black Country, South Staffordshire, North Worcestershire and Shropshire. Nationally recognised for providing excellence in healthcare and one of only 7 Trusts in the UK chosen to be a showcase hospital for infection prevention we are justifiably proud of our achievements to date. Patient safety and quality of care are at the top of our agenda. We have achieved NHSLA level 3 for all our services.

It is important to note that this description is a typical example of your placement and may be subject to change.
