Employer information	<p>The Royal Wolverhampton NHS Trust is one of the leading acute and community trusts in the region. Employing more than 6,700 staff we provide a comprehensive range of community, acute and specialist services for the people of Wolverhampton, the wider Black Country, South Staffordshire, North Worcestershire and Shropshire. Nationally recognised for providing excellence in healthcare and one of only 7 Trusts in the UK chosen to be a showcase hospital for infection prevention. We are justifiably proud of our achievements to date. Patient safety and quality of care are at the top of our agenda. We have achieved NHSLA level 3 for all our services.</p>

It is important to note that this description is a typical example of your placement and may be subject to change
