

## West Midlands Central Foundation School

Individual Placement Description – University Hospitals Coventry and Warwick

<b>Placement</b>	FY2 Trauma & Orthopaedic Surgery
<b>The department</b>	Trauma & Orthopaedic Surgery
<b>The type of work to expect and learning opportunities</b>	The acute and elective management of trauma and orthopaedics within the setting of a major trauma centre. Experience in the rehabilitation of orthopaedic patients by interaction with physiotherapists and OT's in a multidisciplinary environment. Alternate Wednesday pm: Multidisciplinary orthopaedic teaching. Dedicated weekly 2 hour FY2 teaching
<b>Where the placement is based</b>	University Hospital
<b>Supervisor(s) for the placement</b>	Mr Sunit Patil Mr R Sneath Miss Edwards Dr Prakash Mr King
<b>Main duties of the placement</b>	Joining a team of 14 F2 and core trainees, the trainee will cover the wards, attend regular clinics (elective and fracture), and have the opportunity to attend theatre.
<b>Typical working pattern in this placement</b>	Full shift during the day and twilight shifts. It is anticipated that F2 trainees will be on call overnight with support from SpR trainees.
<b>Employer information</b>	UHCW Trust has PFI status and more than £400 million has been invested to build a new 1200 bed hospital on the Walsgrave Site. The main part of the new hospital opened in October 2006. All major specialties are represented. The Clinical Science Building opened on the Walsgrave site in November 2003. This is a state of the art postgraduate and undergraduate facility with an outstanding library and study area, and extensive high quality seminar and clinical teaching rooms.

It is important to note that this description is a typical example of your placement and may be subject to change.
